

Graduate Cadet

Full Time

Sims Recycling Solutions (SRS) is a global organisation providing environmentally responsible recycling services to the wider community, local government and commercial businesses. SRS is primarily focused on providing innovative solutions with cutting edge technologies for contemporary and problematic waste streams such as e-waste.

We have exciting opportunities for motivated and career driven individuals to join our team as Cadets. As a Cadet you will have the opportunity to learn about the multiple facets of our business and then apply these skills in countries within the Asia Pacific Region. The successful candidates will be offered training and development opportunities in varied areas in our fast growing E-Recycling business across our sites in Australia.

As a Cadet development developmental opportunities are available in the following areas;

- E-Recycling and waste management processes
- Operations Management
- Asset recovery and management
- Sales and Trading in commodities

Travel will be required as part of this role. In addition, prolonged residence in an overseas country (India, Singapore or South Africa) may be applicable. Positions may also be available within Australia. A relocation program is available to successful candidates required to travel and work overseas.

The role entails;

- Understanding and learning various aspects of the E-Recycling business
- Applying skills and knowledge attained in an operation overseas
- Planning and scheduling of daily activities and priorities
- Performing hands-on operational and production work as required
- Seeking new ways and methods to improve current processes
- Safety compliance in the workplace
- Compliance with a training and development program

To be successful in this role, you must demonstrate;

- Graduate qualifications at University tertiary level in Business / IT / Marketing / Commerce or related discipline essential
- Minimum 2 years working experience in either warehousing/logistics operations, information technology or related industry
- Ability to build relationships with all levels
- Strong communications skills, written and verbal
- Well developed computer skills
- An ability to converse in an Indian language would be an added advantage although not essential.
- A positive attitude with a 'can do' approach

We are looking for Graduates with minimum 2 years industry experience who are keen to forge an exciting career whilst having the ability to learn and then apply their skills in foreign environments and locations.

Interested applicants can apply by visiting the Seek Website at <http://www.seek.com.au/job/graduate-cadet/sydney/17516835/82/1/>

Please address applications to John Hanna, HR Manager APAC and include a covering letter addressing the criteria above and quote job number SRS-001CAD.

SRS is an Equal Opportunity Employer. For further information on our business please visit <http://apac.simsrecycling.com>
